UPOZORNĚNÍ

Tento dodatek je platný pouze se základním katalogem náhradních dílů TATRA 815-2 EURO II, číslo publikace 680, 1. vydání 1996. Platí pro nákladní automobily TATRA 815-2 EURO II, vyrobené v roce 1996 a dalších letech. Doplňuje skupiny, které nejsou uvedeny v základním katalogu.

TATRA, a.s., Kopřivnice stále pracuje na zdokonalení svých výrobků, a proto si vyhrazuje právo provádět změny, které nutně přináší další vývoj automobilů. Se změnami a dodatky tohoto katalogu se mohou majitelé vozidel seznámit prostřednictvím dealerů, kteří budou o těchto změnách informováni nebo přímo ve výrobním závodě.

Rádi bychom upozornili zákazníky, že jednotlivé detaily agregátů důležitých pro bezpečný provoz automobilů (např. brzdy, řízení) a jednotlivé detaily agregátů, které po opravě vyžadují odborné seřízení pro správnou funkčnost, jsou určeny pro značkové opravní. Tabulky, ve kterých se tyto detaily nacházejí, jsou označeny hvězdičkou a tyto detaily nelze objednat. Doporučujeme zákazníkům, aby si tyto poškozené díly nechali opravit v autorizovaných opravárnách. Bližší informace podá dealer a servisní opravny.

NOTICE

This Supplement is valid only in connection with the basic Catalogue of Spare Parts TATRA 815-2 EURO II, Publ. No. 680, 1st edition 1996. This Catalogue holds for vehicles TATRA 815-2 EURO II produced in 1996 and the following years. This Supplement completes the groups which are not included in the basic Catalogue.

TATRA Kopřivnice, J.S.C., is constantly trying to perfect its products and, therefore, reserves the right to carry out changes which are necessarily brought about by the further development of vehicles. With the changes and supplements in textual and pictorial tables of this Catalogue, the vehicles owners will be acquainted by means of TATRA dealers, who will be informed about and/or directly by means of the manufacturer.

We would like to notify our customers that individual details of aggregates that are important for the vehicle operation (e.g. brake system, steering) and those asking for the skilled adjustment after having been repaired in order to operate properly, are stated only for the sake of the authorized repair shops. Tables containing these parts are marked by little stars and they cannot be ordered. We recommend our customers to have the damaged parts repaired in the authorized repair shops. You can ask your dealer or call a service centre to get a more information.

AVIS

Ce Supplément est valable seulement avec le Catalogue de Pièces de Rechange TATRA 815-2 EURO II, Publ. No. 680, 1^{re} édition 1996. Ce Catalogue des Pièces de Rechange est valable pour les véhicules TATRA 815-2 EURO II fabriqués en 1996 et dans les années suivantes. Par ce Catalogue ils sont complétés les groupes qui ne sont pas mentionnés dans le Catalogue de base.

TATRA Kopřivnice, S.a., ne cesse pas de perfectionner ses produits. C'est pourquoi il se réserve le droit d'apporter des modifications faites nécessairement au développement des automobiles. Avec les changements et suppléments performés dans les tableaux à texte et à figure de ce Catalogue les propriétaires des véhicules peuvent prendre connaissance à l'aide des TATRA commerçants qui seront renseignés sur ces changements ou directement chez le manufacturier.

Nous voudrions avertir nos clients que les détails individuels des groupes qui sont important pour l'opération fiable du véhicule (pour exemple les freins, la direction) et les détails individuels des groupes qui demandent l'ajustage professionnel pour leur fonction propre, sont destinés pour les besoins des ateliers autorisés. Les tableaux qui contiennent ces pièces de rechange sont marqués par les petites étoiles et ces pièces ne peuvent pas être commandées. Nous recommandons nos clients qu'ils laissent leur pièces endommagées réparer dans un atelier de service autorisé. Les renseignements plus détaillés vous pouvez obtenir chez votre commerçant ou dans un atelier de service.
